A Note from Mrs. Conley

We have had a very busy week even though a couple of days were cut short. The students have been learning how to make connections in nonfiction texts and have been practicing these skills. In math, we have been wrapping up our unit on fractions. We will begin units on measurement for 3rd grade and money for 2nd grade. In writing, we are beginning to learn about the parts of an informative writing piece and how to strengthen those. We learned about the characteristics of living things in science. We all had so much fun celebrating Mardi Gras on Tuesday. On Wednesday, we kicked off the season of Lent by attending Ash Wednesday Mass. We will be taking a closer look at the season of Lent in class and thinking about our own Lenten commitments.
