message, margin

## Snack Schedule

### **Providing Snack:**

March 9th to the 13th Murray

March 16th to the 20th Duffy

March 23 to 27th Poole

April 6th April 10th Juett

**Cereal snack only**

## Upcoming Events:

**March 6th: Progress Reports arrive home**

**March 8th: Daylight Saving Time Begins**

**March 13th: Professional Development Day. No school students.**

**March 17th: Saint Patrick's Day**

**March 20th: First day of spring**

**March 27th: Dress Down for Charity.**

**March 30th: Spring Breaks Begin**

**April 10th: Good Friday, no school**

**Homework:** Nightly Reading, practice spelling words, math one night a week

**Math:** During our morning spiral in math we are measuring and using related terms. We will be working to identify and manipulated numbers using tens and ones. (this includes counting dimes and pennies)

**Religion:** Rosary this week will complete sorrowful mysteries. Our focus: God created everything in this world out of love for us. Bible stories

**Language Arts:** Identifying subject verb agreement.

**Word wall words:** **Wednesday, four, other, jump, kind**

**Spelling Pattern:** This week will focus on the soft sounds of g and c. When g or c are followed by: e, i, or y they produce their soft sound. In other words: **c** sounds like an /s/ and **g** sounds like /j/.

**Writing:** Our focus is restating and adding information to a sentence and clarifying what we are saying while using details.

**Responding to Literature:** identifying when the student infers, identifying the selection of text / illustration to support the inference.

**Science:** Energy Everywhere, focus on energy and heat, light and electricity. SC-P-ET-U-1
